**MANITOBA GOVERNMENT OPENS CONSULTATIONS TO UPDATE SUSTAINABLE DEVELOPMENT  
LEGISLATION**

Manitoba Conservation and Water Stewardship advises it is seeking public feedback on a plan to update and improve the Sustainable Development Act. The consultation document, which is available online, includes criteria for providing feedback on how to better co-ordinate, measure and report on progress related to the way government protects the environment while ensuring a prosperous economy.

Consultations are open until Feb. 28.

To take part, visit [www.gov.mb.ca/conservation/greenprosperity/index.html](http://www.gov.mb.ca/conservation/greenprosperity/index.html).
